me: decided to buy Civ 5 with the expansion pack, downloading now
Andrew: finally
Andrew: did you check to se eif it wold run on you rmachine?
Andrew: I did mention that may be an issue
me: I'm sure it will actually run, might be a bit slow
Andrew: do you have google chrome installed?
Andrew: if so, you should check out the prototype josh & I have been working on for the past week
Andrew: http://ego.fm:3000
me: nah
Andrew: demo@demo.com
Andrew: lame
Andrew: why not?
Andrew: install chrome
Andrew: its vastly superior to all other browser
me: I was mistaken, using it now, thought it was firefox
Andrew: oh
Andrew: check out our demo then
Andrew: link above
